# Thanks for Coming to the CCBA's Valentine Regional...

Bob Young, tournament chairman, thanks all of you for your great support ... braving the elements to attend our Winter Regional. There are so many tournaments these days, while I may sound like the airlines, we know you have choices, and we appreciate that you chose us!

We hope you had fun, earned lots of masterpoints, and will go home safely to tell all your bridge playing friends. We plan to be back next year same time, same place.

It is the view of the organization that giving our "locals" an alternative to other winter sports ... to clubs... and to television... would be a welcome proposition.

Next year we hope you will be back.

Thanks to the tournament staff:

Adrienne Cohen for hospitality... You were great!

Suzi Subeck for the Daily Bulletins... Excellent!

Peter Wilke for keeping everything running perfectly!

Please plan to play GNT's starting tomorrow. If you still need to register, accommodations will be made if it is possible. To do this, please email Suzi Subeck: stansubeck@prodigy.net. Do it as quickly as possible to have your best chance.

Thanks again... Bob

# District 13 2016/2017 Grand National Teams

Saturday, February 25, 2017, 11:00 and TBA & Sunday, February 26, 2017, 11:00 and TBA

Hilton Northbrook, 2855 North Milwaukee Avenue, Northbrook, IL Telephone: (847) 480-7500 Call for Bridge Rate!

The Championship Flight and Flight A events will take place over four sessions and will be concluded in a single weekend. \*\*In Flight B alone, there may be two teams remaining at conclusion of play on Sunday. These teams will be responsible to determine a final date and place (area club) at which to play their Final. The Coordinator will work with the teams to find suitable arrangements for Final.\*\* (See CoC on the District 13 website for more information.) Flight C will be a two-session Swiss Team event played to conclusion on Sunday only.

There will be no competition among flights. Players must choose the flight in which they plan to play.

Flight	Masterpoints	Club Qualifying
Championship	Unlimited	None
Flight A	Fewer than 6000 points	None
Flight B	Fewer than 2500 points	Determined by Unit
Flight C	Non Life Master and fewer than 500 points	Determined by Unit

Flight eligibility is established by ACBL's September 2016 masterpoint cycle. This information was produced on August 6, 2016 in Horn Lake, MS. Masterpoints won after this cycle will not impact flight eligibility for these events.

Players must reside in District 13. Each member of the team must be a paid member in good standing with the ACBL. Club qualifying may be required at the discretion of each Unit. A Flight B or C team may qualify under the rules of any Unit where a plurality of team members reside.

In addition, players who are currently, or have ever been in the past, members of another bridge organization, whether domestic (e.g., American Bridge Association) or foreign (e.g., Polski Zwiazek Brydza Sportowego), must submit information on their past and/or current ranking in that organization. Submissions must be in writing (email is fine) and must be received by the District GNT Coordinator or District 13 Director at the time of registration for the event. The information submitted may be used to assign a conversion to ACBL masterpoints for purposes of verifying flight eligibility.

\*\*An entry in the CHAMPIONSHIP Flight is a commitment to play in the National Final. Entries in lower flights may play to conclusion before declaring intent. We understand your reluctance to commit in advance.\*\*

# Source: Cue Bidding for Slam — Example from Bergen's Book with Bergen's Advice and Bidding Tools

Most bridge players use control cue-bids for the investigation of slam. However, some believe that is should only be used to "show aces" or a "void" — first round control. THIS IS NOT MARTY BERGEN'S POSITION. He states that control-cue bids promise a control in that suit — whether first-round or second round (called Italian Cue Bids). If a player bypasses a suit, a control is that suit is denied.

South Dealer – How do you bid this hand?

# **North's Bergen Points**

14HCP +2(6-card suit) = 16 Starting Points 16 + 1 (doubleton) +1 (6trumps) = 18 Bergen Points

# **South's Dummy Points**

14HCP = 16 Starting Points 14HCP +3 singleton with 4 trumps) = 18 Dummy Points

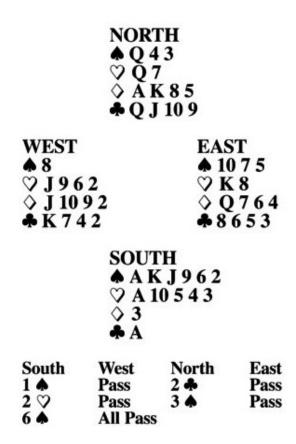

North's 4♦ bid denies club control— the suit bypassed. So if South does not have a club control, he would sign off in 4♠. Because South did not sign off he has to have a control. The 4♥ shows a first or second round control in hearts. West now bids 4NT to reach the lay down slam.

Note: with two worthless doubletons, North should not bid 4NT since the slam depends on location, location, and location of honors!

# **September 25, 2012**

"I heard you tried to advise Wendy about her dummy play," I said to Cy the Cynic. Cy, a chauvinist, and Wendy, my club's feminist, are fierce adversaries. "Never give a woman advice," Cy growled. "Don't give her anything she can't wear."

Lead: Jack of Diamonds

Wendy had played at six spades. She took the ace of diamonds, came to her ace of clubs and led a heart to the queen. East took the king and led a club, and Wendy ruffed, took the A-K of trumps and ace of hearts, and ruffed a heart in dummy. When East discarded, Wendy threw a heart on the king of diamonds but still lost a heart.

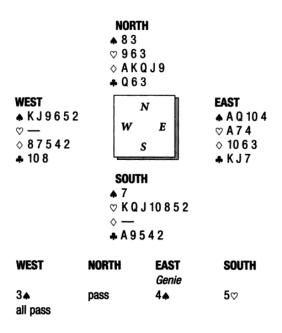

# **COLD SLAM**

"I remarked that the slam was cold," the Cynic sighed. "Wendy said her play was fine and unlucky to fail, and who did I think I was anyway?"

At Trick Two South must take the king of diamonds and pitch her ace of clubs! She next leads the queen of clubs and discards a heart. West wins, but South can ruff the diamond return, draw trumps ending in dummy, and throw three more hearts on the high clubs.

# Source: Around the World in 80 Hands By Zia Mahmood, David Burn

Three young bridge experts were walking along a beach the day before a major tournament when they came across a strangely-shaped bottle. One of them picked it up, rubbed it, and a genie flew out. "My name: said this apparition, "is Zi Ham Chag — Master Genie of Bridge. I can grant you any wish you desire. If you are not satisfied with my gift, I will be forced to return to the bottle for another thousand years — but if you are, I will be free at last!" Being typical bridge players, the three were more concerned about a fourth for a practice session than anything else. And if this genie were truly a master of the game, who knew what they might learn. Seated by the water's edge this hand was dealt:

West led the <a>2</a> against five hearts, and dummy followed with the <a>3</a>. The genie, after considerable thought, played the  $\triangle$ 4! As South won with the  $\triangle$ 7, West leapt to his feet. "That's enough this genie is obviously an impostor!" he cried. South and North readily agreed, as it was obvious that anyone who allowed declarer to win so cheap a trick could not possibly be a Master Genie. Stuffing the protesting genie back into the bottle, they hurled it into the sea and continued with their promenade. Later that evening, they showed the hand to the great analyst Michael Rosenberg, expecting him to chuckle with them over the genie's preposterous play. To their surprise, he studied the hand gravely for several minutes without saying a word. Finally, with tears in his eyes, he spoke: "You have committed an unforgivable wrong. The problem on this hand is that South has plenty of tricks — but he cannot reach dummy unless the defenders allow him to do so. Thus, he will on the face of it lose a spade, a heart and two clubs. But if East makes the normal play of winning the first spade and returning the suit (any switch allows declarer to reach dummy's winning diamonds), then South will ruff with the \$\forall 10\$ and lead the \$\forall 8\$ to dummy's nine. East must win with the ♥A — but this time, any card he returns will allow declarer an entry to dummy, and the losing clubs will all dis-appear on the solid diamond suit. Not at once, of course, for East can ruff the fourth round of diamonds — but South can overruff and return to dummy by playing the  $\checkmark$ 2 to the  $\checkmark$ 3 in order to cash the fifth diamond. "But, amazingly, by allowing declarer to win the first spade with the seven in his hand, East avoids the throw-in. If South plays the  $\forall 8$  to the nine, East simply exits with the  $\triangle 10$ . South cannot discard on this, for West will overtake and play a club, and if South ruffs the \$\infty\$10 he can never reach dummy and must lose two club tricks at the finish.

"Of course continued Rosenberg, "South ought to have played the \$\frac{1}{2}8\$ from the table at Trick 1. East cannot permit this card to hold, otherwise South can run the diamonds at once, and when he covers the \$\frac{1}{2}8\$ South can play as I described earlier. "But when declarer committed the obvious blunder of playing low from dummy to the first trick, your genie found the most wonderful defense ever seen in the history of the game. And you idiots threw him back in the sea!"
